

# Welcome to the Great Western Brick Show

Thanks for visiting! We hope you have a fun-filled day and enjoy all the exhibits we have on display. We have loads of new models for this year as well as some firm favourites for the whole family to participate in. All the models have been built by **Brickish** members, making it one of the largest displays of LEGO fan models in the UK.

Make sure you visit the **Station Platform** to see the **LEGO® Robot Wars tournaments!** Some of the top builders at the show have created awesome robots to battle it out. Each robot must fit inside a 25cm cube, weigh no more than 1kg and be made only from official LEGO parts!
